

Template ITACA showcases Bike sharing		
1	Title of the showcase / best practice	Bike sharing in the cities on the coast of the Province of Rimini. The five cities on the Adriatic sea coast (Cattolica, Misano, Riccione, Rimini e Bellaria) have chosen the same system to rent to residents and tourists alike bicycles, set in special bike racks. Each bicycle can be rented thanks to a key that may be used to rent a bike in all the five cities. In this way, we want to promote mobility and exchanges which does not involve the use of a car.
2	Objective of the showcase	To increase bike mobility.
3	Metropolitan region / city	Province of Rimini
4	Owner/executor and participants	Cities on the coast and Region of Emilia Romagna
5	Description: - Content and process - Timetable - Finance - Results	Showcase started in 2010 and ends in 2011. 50 bicycles and their racks equipped with the multiuse key system will be installed. The city of Rimini is already equipped with a similar system and more than 100 bicycles are available. <b>Stanziamiento di Euro 50.000,00 da parte di Regione E.R. Gestione ed erogazione dello stanziamento a cura della Provincia di Rimini (determinazione del Servizio Progetti di Area Vasta e Mobilità di Sistema n.12 del 10/11/2010)</b> <b>Copartecipazione dei Comuni della costa con stanziamento di Euro 50.000,00.</b>
6	Low Carbon Contribution (quantify if possible)	<b>Tot. n. 12 tonnellate di Co2 risparmiate ogni anno</b>
7	Lessons learnt	How to improve the already existing initiatives.
