

ANNEX 2 Best practice Identified and transferred

Section	Indication of content
1 Title of the best practice	Italian all inclusive feed in tariffs
2 Precise theme/issue tackled by the practice	Transfer of knowledge about Italian feed in tariffs
3 Objectives of the best practice	Italian all inclusive feed in tariffs
4 Location	<ul style="list-style-type: none"> - Country: Italy - Region or District or Metropolitan Area or Municipality: Province of Ravenna
5 Detailed description of the best practice	<ul style="list-style-type: none"> - Origin: Province of Ravenna - Timescale: from the beginning of 2010 onward - Bodies involved / implementation: Province of Ravenna - The Italian all inclusive feed in tariff is an incentive rate, inclusive of the incentive and revenue from the sale of energy, which can be provided as an alternative to green certificates and the producer requests for facilities production of electricity from renewable sources of power annual nominal, not exceeding 1 MW and 0.2 MW for plants wind. The magnitude of the tariff, which is paid by the GSE for each kWh entered into the power grid, for a period of 15 years, varies depending on the source. Unlike in tariff for PV and green certificates, which promote all the energy produced (Including consumption), the fee is paid only for actually sold to the electricity network,

	<p>net of own consumption. You can not ask the all-inclusive rate for plants Photovoltaic (encouraged by the energy bill). The tariffs can be updated every three years, by the Minister of Development</p> <p>Statement.- Legal framework: EU, National and Regional law on energy</p> <p>- Financial framework: n.a.</p>
6 Evaluation	<p>- Possible demonstrated results (e.g. through indicators): nr. of renewable energy applications in the province of Ravenna thanks to the feed in tariff</p> <p>- Possible success factors: n.a.</p> <p>- Difficulties encountered: n.a.</p>
7 Lessons learnt from the best practice	<p>Feed in tariffs are one of the elements favoring the deployment of renewable energy</p>
8 Contact information	<p>- contact details/email: mbacchini@mail.provincia.ra.it</p> <p>- Website :</p>
9 Other possible interesting information	
10. Best practice transferred	<p>- the best practice was transferred to the partners</p>
